

#OJSmustdie oder: PubPub als radikale Alternative zu OJS?

Dr. Andreas Ledl, OA-Tage München, 10.10.2016

Wunsch.

«Ich wünsche mir eine andere Publikationssoftware als OJS, die den Bedürfnissen meiner Zeitschrift besser entgegen kommt.»

Anforderungen:

- ❖ Ansprechende Optik
- ❖ Einfaches Handling des Publikationsprozesses
- ❖ Zeitgemässe wissenschaftliche Publikationsstandards

Design as Participation

A consideration of design as a form of participation in complex adaptive systems.

The Enlightenment is Dead, Long Live the Entanglement

We humans are changing. We have become so intertwined with what we have created that we are no longer separate from it.

デザインと科学

デザインは科学を進歩させられるだろうか。そして科学はデザインを進歩させられるだろうか？

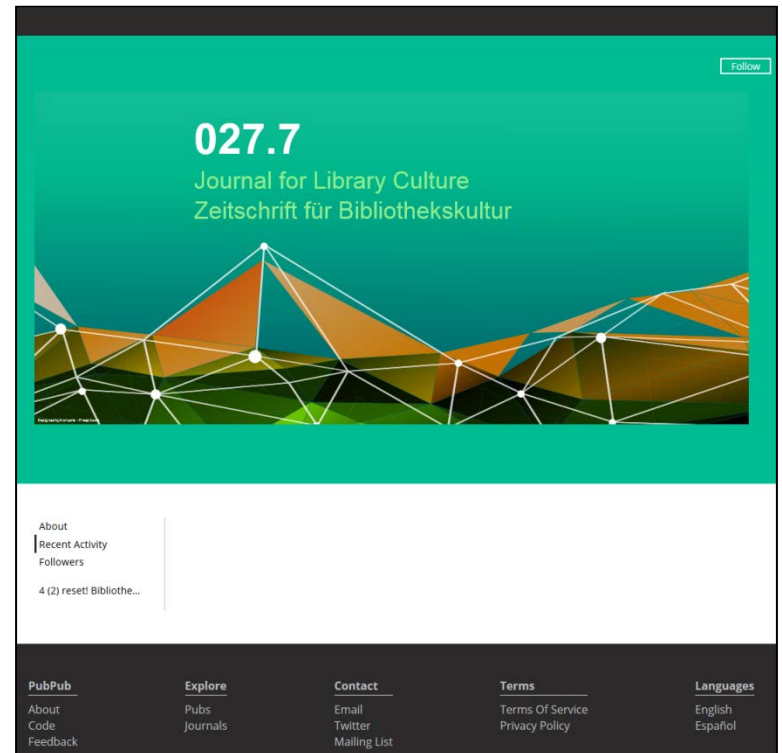

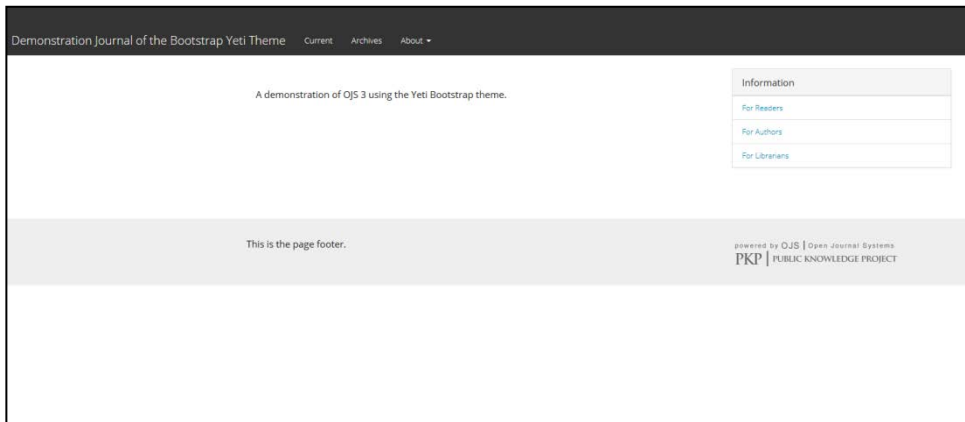

Age of Entanglement

An inaugural essay for the Journal of Design and Science (JoDS)

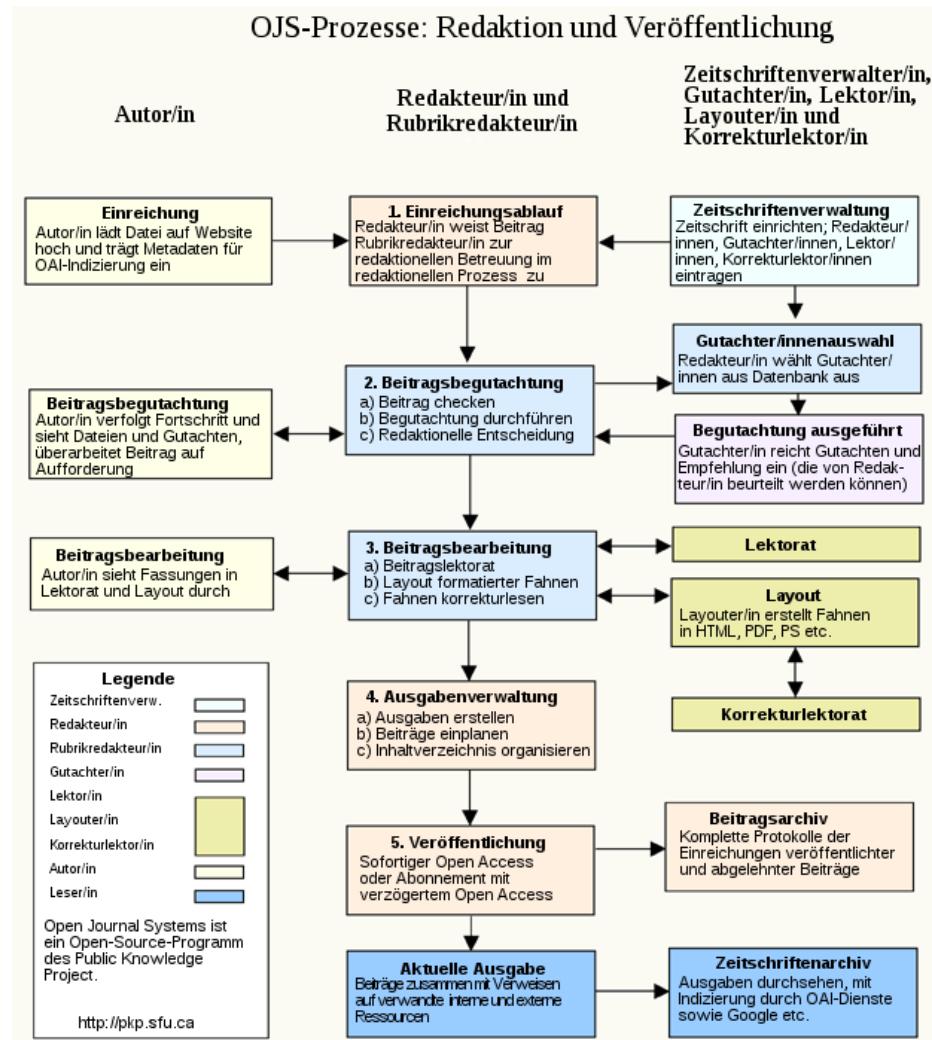

Design and Science

Can design advance science, and can science advance design?

Optik – fair (na ja, fast).

Publikationsprozess OJS.

PubPub-Rebellion.

“PubPub is a tool and service to write, publish, and read published work. PubPub is built to modernize many of the old traditions of academic publishing which have led to inefficiency, corruption, and the detriment of our pursuit of science.”
